

Collegiate Choir Audition Procedures

Mitos Andaya is the Associate Director of Choral Activities, and the director of the University Chorus, Collegium Musicum, Women's Glee Club, and Classic City Jazz for the University of Georgia. Ms. Andaya will direct the second annual collegiate honor choir and we hope to have at least one and no more than 3 quartets or quintets from every college and university in Louisiana as last years choir. You will be asked to audition your own singers and select those who are to participate.

We would need the names of your students postmarked by October 5, 2009 with the registration fee of \$125.00 per quartet/quintet (only \$30.00 per singer).

I am very excited about this opportunity for my students at ULM. They are already signing up to audition in quintets. Talk to your choirs soon. Let's make this work for our students, schools, and state ACDA.
